

OHIO FFA GREENHAND CAMP

September 26-28, 2021

Join other freshman FFA members who are participating in their first year of Agricultural Education from all over Ohio for three days at Ohio FFA Greenhand Camp that you will not want to miss. This three-day camp emphasizes team building, goal setting, introductory FFA, and plenty of recreational opportunities. Activities include dances, athletics, ranges, environmental activities, leadership workshops, meeting state officers, sports and much more. Greenhand Camp is held at Ohio FFA Camp Muskingum which is located in Carroll County, on the banks of Leesville Lake, has been offering unique outdoor experiences since 1942. The lake, hillside and forests offer prime opportunities for aquatic and nature studies.

The cost to attend camp is \$100.00. Cost can be made in payments but the whole cost must be paid in full BEFORE the trip. Checks should be made out to "Bradford FFA". To sign-up, you must turn in at least \$35.00 and complete this form with the proper signatures and Mr. Baumer will then register you for camp if you are selected to attend. Once you pay your first \$35.00 and are selected to attend, Mr. Baumer will register you for camp. The deadline to submit an application is Thursday, September 2 at 3:10 PM. There are only 8 spots for this trip. FFA camp has a \$35.00 no show fee. So therefore, if you do not show up for camp, \$35.00 of your original money cannot and will not be returned since the chapter will still be assessed that cost. If money is an issue, please talk to Mr. Baumer so something can be worked out to hopefully allow you to attend. We do not want you to miss out on this great opportunity because of a financial situation that exist.

Further information will be passed out closer to camp in regards to forms, rules and other specifics for those that have signed up. Check out <http://ohioffa.org/camp/> for more information at this time or see Mr. Baumer with your questions.

APPLICATION TO ATTEND

Procedures for Selecting Applications: Individuals for the trip will be selected based on the quality of their application. Only those FFA members who fill out quality applications will be chosen to attend, even if that means not all the spots will be filled. Applications will be ranked and then the top quality applications will be selected to be able to attend. Seniority will have not meaning as to if your application is selected. The only priorities that will be given is to those FFA members who are receiving awards in which they are accepting on the trip. If the chapter is receiving an award, officers will be given priority to allow our chapter leadership to accept the award. Applications will be ranked among the officers who have applied to determine who gets to go for the purpose of accepting awards on behalf of the chapter. Past applications you have filled out for trips will be reviewed to determine your follow through with the information you provide for the last question on this application. If you follow through has been poor, this will diminish the quality of the current application you are filling out.
