

## 2022 OHIO FFA CAMP MUSKINGUM

June 27-July 1, 2022

### FINAL INFORMATION

Please contact Mr. Baumer by cellphone (texting is fine) or email if you need anything or have any questions leading up to camp. Please do not hesitate to ask. If I do not answer my cellphone, leave a voicemail and I will get back to you as soon as possible. If you for some reason are running late or need to drop out the day of camp, you will have to **CALL MR. BAUMER'S CELLPHONE (PLEASE CALL IN THIS CASE AND NOT TEXT)**. Please remember that if you drop out anytime leading up to camp, you **will not** receive \$75.00 of the cost back as the chapter will still be billed this cost by camp. If you drop out the day of camp (June 27), you will not receive any of your money back as the chapter will still be billed this cost by camp. If you received any scholarship money, this would affect the amount owed in the event of dropping out and would be addressed upon this happening. If you still owe a portion of your registration, it must be paid by Monday, May 16, 2022.

Cellphone service is non-existent at camp. If you need to contact us while we are at camp for an EMERGENCY ONLY, please contact camp and not Mr. Baumer's cellphone. The telephone at camp is not available for use by students and parents are asked not to call students except in case of an EMERGENCY.

### DEPARTURE DATE AND DEPARTURE TIME

Monday, June 27, 2022

We will depart from Bradford High School (southwest doors) at **SEE TEXT FROM MR. BAUMER FOR TIME**.

Mr. Baumer will call with any changes if they occur so make sure that Mr. Baumer has a reliable phone number to reach you over the summer.

We will stop for a fast food lunch on the way to camp so bring a little money for lunch.

### RETURN DATE AND TENTATIVE RETURN TIME

Friday, July 1, 2022

We will return about 3:00 PM to Bradford High School (southwest doors). Students will call if we will be back earlier or later than 3:00 PM.

We will stop for a fast food lunch on the way home from camp so bring a little money for lunch.

### **WHAT TO BRING**

On the day you depart for camp, make sure you have all medication (in its original container) that is listed on the form with you in a Ziploc bag with your name on it. Turn that in to your advisor before you arrive at camp. Medications not in their original container cannot be administered.

Campers may not wear clothing that will draw attention. Shorts should not be inappropriately short and leggings should not be worn as pants. Clothing that promotes drugs or alcohol are also not permitted. If it is inappropriate for school it is also inappropriate for camp.

Campers are required to wear shoes at camp at all times. Proper dress is required in the dining hall. Campers are asked to wear clothing that is conservative and will not draw attention such as short shorts and leggings as pants. Campers are asked to avoid wearing clothing with drug, alcohol, or tobacco references. Clothing that is inappropriate for a school setting is also inappropriate at camp.

You should also bring these things: a sleeping bag or two sheets (bunk size), pillow and pillow case, towels, soap and other toiletries, fishing tackle, musical instruments for the talent show, clothing suitable for camping including one pair of long pants, light jacket, two pairs of shoes, one of which should be closed toes, swimsuit, camera and spending money for the Canteen (items from \$0.50-\$40, T-Shirts \$15, Hoodies \$22), Ranges, and Laser Tag, and a good appetite! Cost from last year: Rifle-\$5.00/box of 50 shells, Shotgun-\$15.00/box of 25 shells and clay birds, and Laser Tag-\$15.00. These are the prices they have been in the past. They are obviously subject to change. We also raise money for Children's Hospital at camp so bring some money to buy "ducks" which earns you a shot at being able to pie a state officer, camp staff member or FFA advisor in the face or give a state officer a slushy shower. Be sure to look at the weather for the week and be prepared for all types of weather. See the additional list of items to pack at the end of this document.

### **WHAT NOT TO BRING**

Anything that could be easily damaged or stolen. Cellphones and other electronic devices are discouraged at camp. They are valuable items and the dorms are not locked during the day so they are your responsibility to protect. Cellphones will be taken and not returned until the end of the camp if students are found using them unless taking pictures. Camp is an amazing experience and we want students to get the most out of camp by being engaged in the many opportunities and experiences and not buried in their cellphones.

## FURTHER INFORMATION

Your child will soon have an opportunity to participate in our FFA Summer Camp program. FFA Summer Camp offers hands-on experience in leadership development, conservation education and recreation. A variety of activities and all-camp evening programs ensure an exciting experience for the campers. If there are any questions regarding camp, please do not hesitate to ask Mr. Baumer. More information can also be viewed at <http://ohioffa.org/camp/>.

The FFA Camp fee includes camp insurance for the students, meals, and the use of Camp facilities and equipment. The insurance gives student's protection from the time you leave home until the time that you arrive home. Each camper is protected for up to \$2,500 (injury), \$300 (dental), and \$500 (illness). Proper forms must be processed to claim insurance benefits.

An Emergency Stat Care facility is within 15 minutes and two hospitals are within 50 minutes of our site. Every student is covered by insurance while attending the program. There is no requirement that students undergo a medical examination before attending FFA Summer Camp. The program is physically intensive, however, and you may wish to consult your physician if there are any health concerns that should be brought to the attention of the staff. Such guidance will assist them in planning the program of activities with the students. Please note any special concerns on the Student Health form. The form must be completed before a camper can attend. All medications must be listed on the form and turned in to the Camp Nurse in the original container. Health and safety are our most important objectives. Particular care should be taken in supplying ample footwear and pants, as students sometimes participate in activities regardless of rain and mud. Clothes should be chosen for comfort and durability, rather than style.

Meals are prepared by a permanent cooking staff and served family style. Special dietary needs should be noted on the medical form and the teacher/camp should be notified prior to the arrival of the campers. Students, visiting teachers, and chaperones are lodged in dormitory housing. The telephone is not available for the students' use, and parents are asked not to call students, except in case of an **EMERGENCY**.

Seniors and grads participate in the high ropes course. It is suggested that you wear tennis shoes and jeans for this activity. You will most likely get very sweaty from high ropes so it is suggested packing clothes dedicated for this activity. Juniors have the opportunity to sign-up for an activity called the Overnighter. You will spend the night in a different location at camp instead of the dorms one night. Usually you are sleeping outside so if plan to participate, be sure to pack for it. If you have any questions, please ask Mr. Baumer.

The Camp Staff look forward to spending time with your FFA Member during their FFA Camp experience. We are confident that it will be a wonderful time.
